Total Electives	**52**	**32**	**20**
Total Credits Required **Bachelor of Science in Human Development**	**128**	***68**	****

*Actual number of transfer credit hours awarded (and therefore the number of hours to be completed at Amridge) will be based on actual courses completed successfully at CCAF for which there exists an Amridge equivalent. Amridge guarantees 68 hours for a completed CCAF degree. Students may exceed the 68 guaranteed hours and receive additional hours (maximum 88 hours) depending on previous college coursework. Students completing a degree at Amridge University are encouraged to contact an Academic Advisor to ensure the maximum transferability of course credit.

** Actual number of course credits to be taken at Amridge University will be determined based on the course credits that are not transferred or are lacking to complete the program. Amridge Transfer credit is unique to each individual. Based on your student evaluation, you should expect to take a minimum of 40 credit hours at Amridge University and a maximum of 60 credit hours.
