

## Bachelor of Science - Ministry/Bible

**The Bachelor of Science in Ministry/Bible** degree is a comprehensive professional program with a practitioner's focus to prepare students for service in the church as pulpit ministers, elders, deacons, missionaries, and Bible teachers. Also, this program helps prepare students for allied Christian leadership positions in youth services or as ministers of education at large congregations or chaplains in hospitals, the armed forces, universities, and correctional institutions. This program also provides a solid foundation for students who wish to pursue advanced degrees in religious studies such as the Master of Science degree in Ministry, Master of Arts degree in Marriage and Family Therapy, and Master of Science degree in Organizational Leadership, all of which are offered by Amridge University.

## QUICK FACTS

Here is additional information to help you decide why Amridge University is the University for You:

**Course Participation Options** — Amridge University is one of the few universities on the leading-edge of distance learning. Through the Internet and new streaming video and audio technology, you can view course lectures as scheduled (real time) or anytime, 24 hours a day (on demand) to meet your personal schedule.

**Types of Financial Aid Available at Amridge University** — Amridge University offers a variety of financial aid options to meet the needs of today's students. These options include Guaranteed Student Loans (GSL) and scholarships. Students are encouraged to complete the free application for Federal Student Aid (FAFSA) online at [www.fafsa.gov](http://www.fafsa.gov) Amridge Code: 016885

**Distance Education Demonstration Program** — Amridge University has been selected by the U. S. Department of Education as a distance education demonstration program participant. The demonstration program was mandated by the United States Congress to assist in the development and implementation of quality distance learning programs for students. Through this program, new standards and procedures will be developed providing students in higher education with greater flexibility in accessing quality distance learning programs that they would not otherwise be able to attend due to work obligations and family commitments.
