B Term Registration begins **January 29th**. Classes begin **February 16th** and end **April 20th**.

Course #	Course Description	Code	Instructor
FD1412E	Management Intervention	IO	B. Housley
HE1405E	Human Nutrition	IO	J. Turner
BS1401E	Introduction to Business	IO	M. Hughes

Course Participation Options

IO—Internet Only - A student may take the entire course via the internet. Communication between instructor and student is through printed material. **LR—Live Remote** - A student who chooses this option must take this course by participating in the live class sessions via internet with no on-campus classroom sessions. Two-way audio and video communication is required.

IV—Internet/Video - A student may take the entire course via the internet. Communication between instructor and student is through videos and printed material.

- (1) All listed times for seminars and weekly courses are Central Standard Time.
- (2) Classes that fall on the following holidays will be re-scheduled by the instructor:

Martin Luther King, Jr. Day: Monday, January 15th

Spring Break: Monday – Friday, March 19th – 23rd

- (3) Withdrawal/drop course information:

- Withdrawal prior to the first day of the semester, the student will not incur tuition or fee charges.
- Withdrawal beginning on the first day of the semester will result in the charge of a \$75 per course Drop Fee and a percentage of the tuition.

See the Academic Catalog for further details.

- A student who drops a course on or after the first day of the semester will be held financially responsible for the entire Tuition and Fees of the course and an additional \$75 per course Drop Fee.

Internet access and technology requirements necessary for students desiring interactive course participation for live courses (Course Delivery Code – LR)

Internet Connection Requirements

A student must have a broadband or high-speed internet connection. Cable Modem, DSL or ADSL, or Satellite is acceptable. Dial-up connections will not permit the required data exchange! If you do not have high-speed internet, please make arrangements to order this service from your local provider. The minimum rates required are 128 kbit upload speed and 256 kbit download. Note: Some services are labeled “DSL” when in fact they are dial-up connections with varying compression rates and cache servers located at central server locations which may give the sense of faster speed. If the rates at which you can transmit and receive data are not 128 kbit up and 256 kbit Down, you do not have a broadband connection or “DSL.” How to check Internet speed: Go to <http://www.performance.toast.net> to test “Upload Speed” and “Download Speed.” True high-speed internet access will have download speeds in excess of 384 kbps (this being the minimum) and upload-speeds of 128k (this also being the minimum). The internet service provider’s SLA (Service Level Agreement) is usually 70% of what you buy. At 256 Kbit you are promised 179 kbps. At 384 Kbit you are promised 268 kbps. A constant 179 kbps or better should work. But to get a true 256 kbit, the service would be rated at 384 kbps.

Computer Requirements

Students must have a personal computer with minimum specifications of 1.0 GHz Pentium Processor or higher, Windows 2000 Professional Service Pack III, or Windows XP Professional Service Pack II; at least 256 MB of RAM; 10/100 Mbit Ethernet Network Interface Card; 16-bit sound card and speakers along with USB or Analog external Headset; 65,000 color video display card; Microsoft Internet Explorer 6.0 or later, or Netscape 7.0 or later. In order for Macintosh Computers to operate with SumitPoint2* interactive classroom collaboration software, the Macintosh must be equipped with Parallels Desktop for Mac, or equivalent software, in order to run Windows Operating System with Internet Explorer 6.0 or newer. Note: The University uses the most current versions of Blackboard, Adobe Acrobat, and Adobe Reader. These programs are currently NOT fully compatible with Windows Vista.

D-I-S-C-L-A-I-M-E-R

A student’s internet service provider (ISP) plays a key role in a student’s ability to view archived streaming video successfully. A student with a clean, sustained connection of DSL, cable access or satellite of 120 kilobits per second (kbps) or higher, should view streaming video at 80 kbps Surestream. A student with a clean, sustained connection of 40kbps or higher should view streaming video at 34kbps Surestream. A student with a clean, sustained connection of 26kbps or higher should view streaming video at 20kbps Surestream. How to check Internet speed: Go to (<http://www.speedtest.net/>) to test “Upload Speed” and “Download Speed.” If the test results are unsatisfactory, you may need to notify your ISP, change your ISP, or upgrade equipment before re-testing. Amridge will help you interpret the test and suggest solutions.

<p>Personal Computers (PCs)</p> <ul style="list-style-type: none">- Processor: Pentium IV 2.8GHz or higher- RAM: 512MB- Hard Drive: 80GB- CDROM: DVD+RW- Monitor: 17” SVGA color- Modem: 56Kv90 (replace with network card for a DSL switch or cable modem if not using dial-up access to the Internet. Remember, it is recommended that students use a DSL or cable modem Internet connection for an adequate educational experience.)- Graphics Card: Integrated- Sound Card: Yes- Speakers: Internal or external- Printer: Color ink jet- Operating System: Windows XP or higher as released including respective updates	<p>Macintosh Computers</p> <ul style="list-style-type: none">- Processor: PowerPC G4, 1GHz or equivalent depending on product line higher- RAM: 128MB- Hard Drive: 40GB- CDROM: DVD+RW- Floppy Disk Drive: 1.44MB- Monitor: 15” SVGA color- Modem: 56K (replace with network card for a DSL switch or cable modem if not using dial-up access to the Internet. Remember, it is recommended that students use a DSL or cable modem Internet connection if possible).- Graphics Card: 32MB- Sound Card: Yes- Speakers: Yes- PC Emulator to use SumitPoint2 - Printer: Color ink jet - Operating System: OS X 10.3 or higher as released including respective updates
